

AN APPEAL

for

CORPUS FUND & NEW CONSTRUCTION

It is our dream to produce a lot of academically strong and morally sound pupils in the coming years. We feel, this school in the name of *Bhagawan Sri Ramakrishna* at his birth place should place itself as a torch-bearer in imparting man-making and character building education in the country.

To fulfil this vision, we need a healthy monetary platform so that we can provide the best possible school level education among the students of which most are from poor families, without any economic burden.

As the initial steps to achieve this goal, following requirements should be fulfilled as early as possible:

- 1) One teacher to teach maximum 40 students inside a classroom. For that more teaching staff are required.
- 2) Fund for time to time upgradation of computer laboratory.
- 3) Fund for purchasing current books and journals for Library - both academic and non-academic.
- 4) More teaching staff to teach the boys extra-curricular activities like Band, Drill, Yoga, Gymnastics, Drawing, Drama, Vocal & Instrumental Music etc.
- 5) More non-teaching staff and equipment to systematise and modernise our existing office.
- 6) Equipment, dress etc. for co-curricular activities.
- 7) Providing financial help to needy students etc.

In view of the above, an '**Academic-cum-Co-curricular Excellence Corpus Fund**' has been initiated with an initial target of **RS. 1 CRORE FIXED DEPOSIT** of which the interest only will be utilised for the mentioned purposes.

Also to fulfilling this vision, we have planned to construct '**A New Library and One Seminar Hall-cum-Online Classroom**' on the 1st floor of our existing school building. Besides that the renovation of the existing building is also urgently needed. Requirements for the same are mentioned below.

Requirements:

1) Estimated cost of construction [Library & Online Classroom – 260 sq. m.]	–	28,00,000/-
2) Electrical equipment	–	1,00,000/-
3) Desk (80 nos.), Bench (80 nos.), Table (4 nos.) & Chair (4 nos.)	–	4,50,000/-
4) Interactive Board, Wall Mounted Projector & Computer for Online Classroom	–	2,00,000/-
5) Interior decoration (wooden partition etc.), Almirahs & Computers for Library	–	3,00,000/-
6) Renovation and painting of school building	–	6,00,000/-
7) Water & heat treatment of the roof of whole school building	–	5,50,000/-
	Total:	<u>50,00,000/-</u>

Hence, we invite our well-wishers to contribute liberally for this noble mission. This will go a long way in placing this 50 years old 'Vidyalaya', after the name of *Bhagawan Sri Ramakrishna* at his birth place, on firm financial footing to continue its service to the cause of imparting man-making and character building education amongst the students of Kamarpukur and surroundings.
