Respected Sir / well-wishers,

At the outset of the letter, kindly accept my humble Namaskar.

Kamarpukur Ramakrishna mission multipurpose School is run by Kamarpukur Ramakrishna Math and Ramakrishna Mission which is a branch centre of Ramakrishna Math and Ramakrishna Mission, Belur Math. Anyway, this school, since its inception in 1962, caters man-making and character building education among the pupils of this locality, nay of through out West Bengal. From the very beginning, the school produces a large number of elite class students who are in different parts of the world and establish the significance of the school with their attitude, manners and works.

Now, this school is going to complete 60 years of its glorious journey. Hence, we are going to observe the Diamond Jubilee to make the school's role in society memorable. To celebrate the prestigious journey of the school we have taken various initiatives like - construction of a four classroom building, tree plantation programme, cultural functions, publication of Diamond Jubilee Memorial magazine, blood-donation camp and so on. For this, we need to raise a fund so that we can materialize our initiatives and wishes.

We, therefore, ask your kind help and monetary donation. All sorts of donation for this purpose will be cordially accepted from all of you.

We hope your kindness will be showered upon the school. May holy trio bless you.

With regards,

Sw. Kalyan 26/04/2021
